

Dear Sisters and Brothers ,

2024-2025

Your Assisted Care Board reminds you that we are actively offering temporary financial assistance as outlined in our Grand Chapter By-Laws. Please refer to pages 51-54 in your Black Book for details.

We are able to make a difference in the lives of our Sisters and Brothers when needed and are ready to do so. We realize that not all who may need this assistance know how to obtain an application to begin the necessary process. To make this a little more easy a printable application to the Assisted Care Board is available on our South Carolina website ([scoes.org](http://scoes.org)) under Outreach . Included is the address to which you will mail a request.

Applications will be kept in the strictest confidence.

Fraternally,

Debbie Cook, Carol Lovece, Judy Boykin, Rhonda Shook, Linda Pittman and Frank Strickland

Assisted Care Board Members
